## V3 Technical Services, LLC

Service-Disabled Veteran-Owned Small Business (SDVOSB)

### VA Outreach Services

As part of the U.S. Veterans Affairs (VA) National Rural Outreach Initiative, V3 is performing Outreach and Call Center Support Services to VISNs 11, 12, 15, and 23. Focused on the state of Illinois, the V3 "Lost Veteran Project" is targeting a population of more than 500,000 Veterans.

This project is designed to increase veteran enrollment in the VA Medical Health Programs and to increase their awareness of the available VA benefit programs. Using a 24/7 hot line call center, support will be provided by assisting them in locating local resources including:

- Job training;
- Educational resources;
- Housing;
- Food;
- Transportation;
- Control of substance abuse;
- Family counseling; and
- Community provided resources.

24/7 Hotline: **(855) 455-VETS (8387)**

# V3 Technical Services, LLC

*Serving Our Clients,  
Community, and Country*

V3 Technical Services, LLC (V3), a Service-Disabled Veteran-Owned Small Business (SDVOSB), provides professional technical services to federal and commercial clients nationwide from offices in Knoxville, Tennessee; Aiken, South Carolina; Argonne, Illinois; and West Chester, Ohio. Our staff has decades of experience managing complex projects for the U.S. Department of Energy (DOE), U.S. Department of Defense (DoD), U.S. Department of Veterans Affairs (VA), U.S. Army Corps of Engineers (USACE), National Nuclear Security Administration (NNSA), Federal Aviation Administration (FAA), and the Tennessee Valley Authority (TVA).

Mitch Morgan, a U.S. Army veteran with over 30 years of waste and environmental management experience, founded V3 in June of 2006 around three core values—integrity, service, and quality.

Service-Disabled Veteran-Owned Small Business (SDVOSB)

V3 Technical Services, LLC (V3), combines relevant experience with corporate capabilities, services, and qualified personnel to provide critical technical support to our clients in the following areas:

- Energy Management,
- Safety and Industrial Hygiene Management,
- Program / Project / Construction / Conference Management,
- Waste and Environmental Management, and
- VA Outreach Services.

V3 provides energy management services to DOE and the VA in the areas of energy audits and energy assessments.

#### Program Support

- Identification and documentation of program drivers and requirements.
- Development of strategic objectives.
- Documentation of annual goals.
- Outline of projects and support requirements to be met.
- Specific activities within associated budget and schedule information.
- Communications and outreach support to interface with other programs including renewable energy, transportation, smart grid, requirements definition, facility energy efficiency, data management, and others.
- Innovative approaches to renewable and/or sustainable energy, sustainability services, and energy management technology and services.

#### Energy Audits

- Energy system investigation.
- Project analysis and formation.
- Audit results and identification of Energy Conservation Measures (ECMs).

#### Implementation ECM Support

- Project management services.
- Building commissioning services.
- Metering and resource efficiency services.

V3 personnel provide our clients a thorough and comprehensive knowledge in the areas of safety and industrial hygiene program support.

#### Safety Management

V3 provides on-site safety support services for projects in the following areas:

- Program/Plan Development
- Program Implementation
- Management and Oversight
- Human Performance Improvement
- Pre-Bid Walk-down to Identify Hazards
- Pre-Start Walk-down for Hazard Recognition
- Hazard Analysis Development
- Development and Review of Corporate Documents
- Development of Required Project Documentation
- Full-Time Employee Coverage
- Routine Job Inspections

#### Industrial Hygiene (IH) Management

V3 offers employee exposure monitoring expertise in the following areas:

- Asbestos
- Lead
- Beryllium
- Volatile Organics
- Indoor Air Quality
- Other Contaminants

#### Program Management

- Program Planning and Consulting
- Strategic Planning
- Management Assessment
- Program Assessment
- Regulatory Program Compliance
- OSHA Program Compliance
- DOE Order Compliance Program

#### Project/Construction Management

- Planning
- Scheduling
- Cost Estimating/Tracking
- Progress Tracking
- Earned Value Analysis

#### Conference Management

V3 provided Conference Management Services for the DOE Savannah River Site in support of their Citizens Advisory Board (CAB).

- Coordination of Full Board Meetings
- Coordination of Electronic Meetings
- Presentation Coordination and Development
- Budget Coordination
- Agenda Development
- Response to Public Comments
- Speaker Bureau
- Travel/Facility Reservations
- WEB Site Updates
- Maintenance of Database
- Advertisement/Announcements
- Newsletter/Photos
- Transcription of Meeting Minutes

#### Waste Management

V3 provides waste management planning, waste profiling, radiological and chemical characterization, packaging, transportation, container inspections, compliance activities, preparation and review of shipping and support documentation, oversight of loading operations, shipping scheduling, and field implementation.

- Planning and Characterization
- Waste Profiles
- Define Waste Packaging Requirements
- Prepare Shipping Paperwork
- Management Assessment
- Field Implementation
- Regulatory Compliance
- Oversight and Support
- Waste Minimization and Pollution Prevention
- Storage and Packaging Compliance
- Sampling and Characterization
- Shipping and Disposal Support
- Documentation and Record Keeping

#### Environmental Management

V3 has experience in the industrial workplace and a background that has focused consistently on environmental, safety, and engineering activities. The diverse experience of V3 personnel provides environmental services to our industrial and government clients.

- Regulatory Compliance
- Environmental Audits
- Hazardous Materials Management
- Air Toxins Management
- Air Pollution Control and Compliance
- Water Pollution Control
- Spill Prevention Control and Countermeasures (SPCC) Plan
- Toxic Substances Control Act (TSCA) Regulated Polychlorinated Biphenyls (PCBs) and Asbestos
- Underground Storage Tank (UST) Management
- Permitting Support
- Oversight and Support
- Alternative Analysis
